*Attorney-General*

WHEREAS with the approach of the Canadian Diabetic Association Provincial Campaign we are reminded that the search for a cure for diabetes is a major concern of all:

And whereas, while the job of finding an end to diabetes continues, the diabetic must be allowed to live a better life through educational programs:

And whereas, while laymen and doctors the world over are mobilized in the fight to unlock the mysteries of diabetes, they can never complete the job they have set out to do without the support of the public at large:

And whereas Canada has been a world leader in diabetes research, particularly with the discovery of insulin, and our provision of treatment-educational programs to those with diabetes:

And whereas Our Lieutenant-Governor, by and with the advice and consent of the Executive Council has been pleased to direct by Order in Council in that behalf, that a Proclamation be issued appointing the month of March 1979 as Diabetes Month in the Province of British Columbia.

Now know ye that We do by these presents proclaim and declare that the month of March 1979 shall be known as Diabetes Month in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our Province to be hereunto affixed.
